Amouncement of the sale was made by Mr. Hanlon yesterday. The lawauits instituted by Hanlon and Abeli sgainst the Brooklyn Club, which have been pending in the New Jersey courts, will be discontinued, it is said, as a result of the stock trensfer.

Some Low Averages.

Though Ty Cobb only secured an average of 300 against the Cub pickers in the world's keries, for which he has had mugh ridicule heaped on him, the Georgia wonder is not the only great hitter who has fallen devn immunably in a world's series.

In 1962, for instance, Hana Wagner, the greatest of all slurgers, was the laughing stock of the Boston enthusiasts, because he falled to bat up to anything like his form gainet Cy Young and Dineen. Hans fell down as did Cobb. But years before that, "Tip" O'Noill, then the leading batsmen in the old American Association, proved the weekest litter on the St. Louis Browns' roster in a champloming series for the title of the universe. In the association that year O'Neill wound up with a batting average of .492, perhaps the biggest average ever made by a player, yet he did not bat .153 against the Detroit pitchers.

"Sox" Seyboid was a Joke with the stick against the Glants' pitchers in the series of 2100.

So Cobb's failure to annihilate the Cub typicers was not such a wonderful reversel

Probably the most picturesque figure who will be seen at the conference is Senor Policarpo Bonilla, a former President of Honduras, and now the recognized leader of the liberal party in that country. He is said to be a lawyer of great learning and ability, He will have as his collengue Senor E. Constantino Flaios, C. E., now Secretary for Foreign Affairs, and an authority on political science. He began his political career as secretary of the Honduran delegation to the first Panamerican Conference. The chairman of the Costa Rican delegation, Senor Luis Anderson, is one of the prominent lawyers of his country.

Guatemala has sent as chairman of its delegation Dr. Antonio Batres-Jauregui, a prominent lawyer, who is the dean of the Guatemalan diplomatic corps, and has been chief justice of the
